

Blue Value Dental 2 (PPO)

2016 Small Group Benefits Overview

Regions 1 and 7

BlueShield
of Northeastern New York

- Dental is now administered by BlueShield of Northeastern New York, and will be effective on the group's renewal date. This replaces our former Healthplex offering.
- Our dental plans provide essential benefits to ensure members receive complete oral health coverage through our own dental network.
- Flexibility to see out-of-network dentists.*
- One card for both medical and dental.
- Blue Pediatric dental benefits and cost-sharing are included in all Blue Value dental plans.

For plan information, please call your account executive.

*Members have the option to receive dental services from a provider who does not participate in the BlueShield of Northeastern New York contracted network of providers. Out-of-network services are reimbursed at 100% of the in-network fee schedule and the non-participating provider may balance bill the member. To check if the dentist is participating in the network or located within our operating area, visit bsneny.com.
