

Dear Bethlehem Chamber Member,

As Bethlehem Chamber of Commerce members, we strive to continue to bring value to our fellow chamber members and business partners. For 2011, we are proud to offer a new Member-to-Member discount for anyone in the Bethlehem Chamber of Commerce.

As a Chamber member, we are offering you a 5% discount when purchasing an individual Long-Term Care insurance policy through the group plan established through the chamber.

As you already know, there are other forms of group health insurance currently offered as a benefit of belonging to the Bethlehem Chamber of Commerce, but we are excited to offer the discount on a long-term care insurance policy as your newest member-to-member discount.

And savings can apply elsewhere as well. If you are a business and qualify for an employer sponsored group long-term care insurance plan, you could be eligible for a 10% savings on that plan as a Bethlehem Chamber member. Spousal discounts also apply to certain long-term care insurance policies.

Please contact Chris Fabian or Greg Podgorski for more information, a quote, or to apply for a long-term care policy. Please use the contact information found below:
