These plan overviews are intended to provide a general outline of coverage. For comprehensive benefit details, please review your Certificate of Coverage (COC), Schedule of Benefits, Summary of Benefits and Coverage (SBC), and any applicable Rider(s). Your COC, SBC, and Rider(s) will be controlling. These documents can be found in your MVP online account, or are available by request. For details, call 1-800-TALK-MVP (1-800-825-5687).

Aggregate vs. Embedded

Aggregate (AGG): For a family plan with an aggregate deductible, all individuals on the plan pay together toward one deductible amount before the plan will make payments.

Embedded (EMB): For a family plan with an embedded deductible, each member pays their own, individual deductible. Once an individual has met their deductible, no further deductible is required of them for that plan year. Other family members continue to pay toward their individual deductibles until the family deductible is met. An embedded out-of-pocket maximum works the same way.

QHDHP: Qualified High-Deductible Health Plan **NoDD:** Not subject to deductible (only applies to plans with a deductible)

Health benefit plans are issued and administered by MVP Health Plan, Inc.; MVP Health Insurance Company; MVP Select Care, Inc.; and MVP Health Services Corp., operating subsidiaries of MVP Health Care, Inc. Not all plans available in all states and counties.

\$600 Well-Being Reimbursement
